

## Summary of EAPPREN's training courses developed in Spain

### Training Courses for Intermediary Organizations

#### *Number of participants*

- F2F (internal training): 5 people (1 day course, 8 hours, on 16<sup>th</sup> July 2018)
- E-learning (Spanish Institutions): 8 people (between June and September 2018)
- E-learning (Foreign Institutions): 16 people (between June and September 2018)

### Training Courses for SMEs

#### *Number of participants:*

- E-learning: 26 people (between June and September 2018)
- F2F (thorough dissemination activities): more than 100 companies (between July and December 2018)

The main **feedbacks** received from participants were very positive valuations about relevance, scope and way of presenting information. Some suggestions for improving some of the contents and the general image were provided.
